

Client: Federal Ministry for Agriculture, Forestry,
Environment and Water Management

Duration: 2013 – ongoing

Location: Austria

Programme Management of the Austrian federal environmental grant scheme for projects in the field of flood protection. Kommunalkredit Public Consulting manages the programme on behalf of the ministry, covering services from receiving the grant funding applications, appraising the funding applications, including all technical supporting documentation (technical, economic and financial evaluation), to concluding the funding agreements and fiduciary management (disbursing the grant funds, monitoring of the compliance with the grant conditions).

Provided services:

- Technical appraisal of projects in the field of flood protection
- Evaluation according to standardized cost-benefit analysis
- Management of grants (approx. 100 Mio. Euro per year)
